

MARE MANAGEMENT CONTRACT

1. I hereby agree to breed my mare _____ Reg. # _____ to _____ Reg. # _____ for the **2017** season at Arnold Reproduction Center (ARC) in Weatherford, Texas. All veterinary work performed on the mare, including but not limited to hormonal regulation, routine worming and vaccinations will be an additional charge to the Mare Owner. Mare Owner agrees that ARC may examine the mare for normal breeding conditions, and may perform such other services as deemed necessary, to prepare mare for breeding at Mare Owner's expense. Mare Owner is responsible for all fees pertaining to courier/transportation of the semen from other breeding facilities or the courier/transportation of the mare to an off-site facility for breedings contracted to off-site stallions. If breeding to multiple stallions; please list all stallions on back of this contract.
2. Breeding work will be done on a per procedure basis. Attached to this contract is a list of some common fees, reproductive procedures and hormonal regulation medications.
3. **No mare will be bred before the terms set forth in the Mare Management Contract, Stallion Service Contract (if applicable) are signed and on file.** Additionally, any contract(s) and a copy of the mare's registration papers must be on file before the mare will be bred. Contracts that are not filled out completely are invalid.
4. All other expenses, including board, vet expenses, farrier (if necessary), etc. are due monthly. Any account thirty days (30) past due may be assessed a finance charge of **1.5%** per month. **All bills are to be paid in full before mare will be allowed to depart the breeding facility.**
5. Every mare must have proof of a current negative Coggins test and be current on all vaccinations. Every mare must be dewormed 30 days prior to arriving at breeding facility. Should mare arrive without proof of negative Coggins and/or vaccination/deworming records, blood will be drawn by ARC for a Coggins test and/or a vaccination/deworming will be administered at the Mare Owner's expense. In addition, a record of hoof care for mares/foals should be presented along with the above documents. The mare and/or foal shall be in a healthy condition and shall be free from infectious, contagious or transmittable disease or it will not be permitted on premises.
6. The mare must be halter broke. **Mares not halter broken WILL NOT BE ACCEPTED for breeding.**
7. Breeding season will begin February 1st and close July 15th.
8. Diligent efforts will be made to impregnate the mare. However, if for any reason she does not become pregnant, the Mare Owner will not hold ARC and/or their representatives liable.
9. Mare Owner acknowledges that the activities taking place at a breeding facility are by their inherent dangerous activities and that participation by Mare Owner, his/her personnel, mare and/or foal in such activities exposes Mare Owner, his/her personnel, mare and/or foal to a risk of sickness, injury or death. Mare Owner expressly acknowledges that participation by Mare Owner, his/her personnel, mare and/or foal in such activities involves a broad range of inherent risk, including but not limited to:
 - A. the propensity of livestock to behave in ways that may result in personal injury or death to a person around it;
 - B. the unpredictability of livestock's reaction to sound, a sudden movement, or an unfamiliar object, or other animal;
 - C. certain land conditions and hazards, including surface and subsurface condition;
 - D. a collision of livestock with another animal or an object;
 - E. the potential that another animal may expose the mare and/or foal to sickness or disease;
 - F. the propensity of livestock to behave in ways that may result in self-inflicted injury or death of such livestock; and
 - G. the propensity of a person to act in negligent manner that may contribute to injury to the mare and/or foal, including, but not limited to, failing to maintain control over livestock or not acting within the person's ability.
10. If Mare Owner elects to provide equine insurance for mare and foal to insure against such risk, coverage is provided by:
Insurance Company: _____ Agent: _____
Policy #: _____ Phone: _____
11. The Mare Owner hereby grants ARC a security interest in the mare, and any foal born to the mare as a result of the breeding contemplated in this contract, and the proceeds of any sales of the mare or its foal, to secure (1) payment of any and all sums due pursuant to this contract, and (2) all liability of the Mare Owner to ARC now existing or hereinafter incurred, matured or unmatured, direct or contingent, and any renewals or extensions or substitutions therefore.
12. This Contract shall be governed by and construed in accordance with the laws of the State of Texas. Venue for all purposes shall be in Parker County, Texas.
